SIXTH FORM RECOMMENDATION FORM

This Recommendation Form forms part of your application. It is designed to help you make a sensible choice of course after listening to the advice given to you by your teachers. You may include up to a **maximum of five subjects** on this form. Do not write off the idea of studying a subject until you have listened to the advice of your teachers.

Course	Predicted GCSE grades	Teacher's Comment and Signature	Recommendation 1 - 5	RECOMMENDATION CODE
				1. This student is very conscientious and should be aiming for at least a Grade B at GCSE and is therefore highly recommended for this course.
				2. This student is very hard-working. The "predicted" GCSE grade is of a satisfactory level for this course. He/she will need to continue to work very hard to ensure an AS pass.
				3. This student probably has the ability to pass at AS Level but has not shown the right level of maturity and commitment. A period of "probation" is recommended should this student be accepted into the Sixth Form.
				4. This student has the ability to take a Level 2 package.
				5. This student is not recommended for the reasons given.
