

THE KNOLL COMMUNITY ASSOCIATION (KCA)

The KCA is an association of residents who work for, and represent, residents in the Knoll Ward. Its purpose is to bring together people who are interested in improving the area in order to make it a better place to live and bring up children. It also provides a forum for people to discuss matters of interest such as activities at the Community Centre and services that they would like to see provided.

Can it really make a difference? Yes it can, the more people that support the community, then the more agencies such as Brighton & Hove City Council will take notice of the requests of residents. More can be achieved to provide social activities for young people, families and older residents. Your support can help to make change possible and bring you a sense of satisfaction, knowing that you have played a part in improving your neighbourhood.

When? The KCA meets every second Monday in the month, at St Richard's Community Centre, Egmont Road, Hove. Refreshments are available from 7.15pm and the meeting starts at 7.30pm.

The KCA is a non-political, non-sectarian, charitable organisation open to all residents. The more residents that take part, the more successful the Association becomes. Come and join us for a friendly welcome, a cuppa, and a social meeting where your views will be respected.
