

**Blatchington Mill School – Involvement of families with school activities agreement**

Dear Parent/Carer

There are events and activities throughout the school year when we positively encourage and welcome the involvement of parents and carers eg. Voices trip to The Dome, performances in our theatre, sports day etc.

At these times it is important that we continue to maintain high levels of safeguarding and so we ask you to follow directions from school staff and be wary of putting any students at risk. There are, for example, several students who cannot have their photographs taken or their attendance at this school publicised for very good reasons. Please ensure that your interaction with students is age appropriate and does not undermine the boundaries put in place by the professionals at Blatchington Mill School.
