What does this policy affect?

This policy affects the delivery of all specifications with one or more non-examination assessment or coursework component. Blatchington Mill does not currently offer any qualifications that involve controlled assessments.

The regulators' definition of an examination is very narrow. In effect, a non-examination assessment (NEA) is classified as, any type of assessment that is not:

- set by an awarding body
- designed to be taken simultaneously by all relevant candidates at a time determined by the awarding body, and
- taken under conditions specified by the awarding body (including conditions relating to the supervision of candidates during the assessment and the duration of the assessment)

'NEA' therefore includes, but is not limited to, internal assessment. Externally marked and/or externally set practical examinations taken at different times across centres are classified as 'NEA' and may be components of General or Vocational Qualifications. (JCQ's **Instructions for conducting non-examination assessments (GCE & GCSE)** and JCQ's **Instructions for conducting non-examination assessments (VTQs)**).

(These publications are further referred to in this policy as [NEA](#) and [NEA VTQ](#))

The term coursework is a generic one. It includes the work required in ELC and Project qualifications. They may also apply to other awarding body-specific Level 1, Level 2 or Level 3 qualifications. Centres should refer to awarding body instructions. (JCQ's **Instructions for conducting coursework**, Introduction, Foreword)

(This document is further referred to in this policy as [ICC](#))

Purpose of the policy

This policy confirms the JCQ requirement that Blatchington Mill School has in place for inspection that must be reviewed and updated annually, a written policy regarding the management of non-examination assessments and coursework which includes details on how candidates' work will be authenticated.

Awarding bodies require centres to have a non-examination assessment policy in place to:

- *cover procedures for planning and managing non-examination assessments*
- *define staff roles and responsibilities with respect to non-examination assessments*
- *manage risks associated with non-examination assessments*

What are non-examination assessments?

Non-examination assessments measure subject-specific knowledge and skills that cannot be tested by timed written papers.

There are three assessment stages and rules which apply to each stage. These rules often vary across subjects. The stages are:

- task setting;
- task taking;
- task marking

What is coursework?

Coursework components assess candidates' knowledge, understanding and skills that may not readily be assessed by timed written papers. Coursework will take many different forms. ([ICC 1](#))

Procedures for planning and managing non-examination assessments identifying staff roles and responsibilities

Where reference is made in these procedures to non-examination assessment, this is intended to include all non-examination assessments and coursework.
