Opportunities available

Before the end of the Autumn term, students in Year 11 will need to have either

- applied to college for a September 2025 place
- or be in the process of applying for an apprenticeship.

The choice they make for their Post 16 route is obviously very important and the range of opportunities is quite broad. Below is a list of open evenings. Please check individual websites as a number of providers are using a booking system.

Hello Future 2024

Hello Future 2024 is an event about inspiring not hiring, it is about connecting the purpose of education to the wider world of work and to showcase the opportunities that are available in our city and beyond.

A poster for the 'Hello Future 2024' careers event. The background is a gradient of purple and pink, with several large, stylized, overlapping handprints in shades of orange and pink. The text 'HELLO FUTURE' is written in large, bold, white capital letters. To the right of this, in smaller white capital letters, is 'CAREERS EVENT' followed by 'ENGAGE IN CONVERSATIONS WITH INDUSTRY EXPERTS ABOUT THE WORLD OF WORK'. Below this, there is a QR code with a white arrow pointing to it from the text 'SCAN ME FOR TICKETS'. At the bottom, the event details are listed in white capital letters: 'THURSDAY, 14 NOVEMBER 2024', 'THE SYNDICATE, BRIGHTON CENTRE', '10:30 - 3:30 16+ COLLEGE ENTRY', and '4:00 - 6:00 ALL AGED STUDENTS, ACCOMPANIED BY PARENTS'. At the very bottom, there is a row of logos for the event's partners: West Sussex, Brighton and Hove Careers Hub; CAREERS & ENTERPRISE COMPANY; a logo with the text 'ACADEMIC LEADERSHIP'; Rampion Offshore Wind; shoreham port; Graphite; GetMyFirstJob; and Brighton & Hove City Council.

Job of the month - Plumber

Plumbers install complex cold / hot water, sanitation, heating systems and domestic appliances such as boilers. Those looking to become a plumber will need to find out issues from the customer and come up with solutions to fix this. The individual would give time and estimates for jobs responding to emergency call-outs.

The skills and knowledge they would need is to be able to repair, maintain appliances/equipment and use tools to install water, drainage and heating systems. Service gas and oil fired central heating systems. The environment the individual may work in may be at height and cramped.

KEY SKILLS

Are careful with your hands

Can work to a brief

Are good with numbers

Are a steady worker

Have good customer service skills

Salary

Entry level - £15,000

Experienced £40,000plus
