

Welcome to FAB!

Friends at Blatch is Blatchington Mill School's PTA (Parent Teacher Association). We are very proud of the fact that we raise thousands of pounds a year for the school. This money is spent on a variety of projects or equipment chosen by students or staff.

For example, we have recently bought the school;

- New picnic benches - great for students at break and lunchtime to sit and chat with friends!
- Extra football goals - being used in PE lessons and on the All Weather Pitches at lunchtime
- Additional water fountains; adapted for water bottle access
- Camping equipment to support the students completing Duke of Edinburgh Awards

We warmly invite you to come along to our meetings taking place 3 times a year (hopefully; depending on what happens with social distancing!). Any parent or carer can attend and a staff member will be there. This gives you a great opportunity for direct access to the school's Senior Leadership Team, who are always willing to answer even the trickiest of questions! Many parents and carers have found this an invaluable insight into the school community, as well as making new friends.

We always have a refreshments stall at parents'/carers' evenings, concerts and the school shows. We can always do with help to sell refreshments and this is the main way that we raise money for the school. So do come and see us and have a chat with our friendly team!

Whether you are interested in finding out more about school activities, raising much needed funds or just meeting other parents and carers, FAB is a great way to get involved.

This is your PTA, and it is only as good or successful as the parents and carers who join and participate.
