

GCSE Results Day 2026 - Information for parents, carers and students

We are really looking forward to Thursday 20th August when we will issue exam results to our brilliant Year 11 students. We are inviting students to collect them from school so they can celebrate their success with friends before going home to enjoy the rest of their day.

Students can collect their results between 9.30am and 11.30am in the Quad. They must enter the school site via the Nevill road entrance as there will be some construction work which will mean the other entrances are inaccessible. If any students are unable to collect their results in person we will be sending a copy of them to their school email address later in the day. If students would like a family member to collect them instead they must email exams@blatchingtonmill.org.uk from their school email address to give permission; they must do this before Tuesday 18th August.

There will be a number of subject staff available on the day to provide advice about GCSE results. For queries regarding college placements, questions/appeals about results or retaking exams please see below:

Asking for guidance or support with college placements

For specialist advice or support with college placements please contact Mrs Hall via email at chall@blatchingtonmill.org.uk or by phone on **01273 221264**. Mrs Hall will be available on Thursday 20th, and Friday 21st August from 8.30am to 3.30pm. She is able to answer questions about what to do if you are unsure you meet entry requirements for your courses and to discuss options for post-16 education.

Queries about grades awarded

These should be directed via email to the Exams office at exams@blatchingtonmill.org.uk. Please note that it is likely we will need to contact the Head of Subject to provide advice or answer queries in the first instance so you may not receive a reply until term starts in September.

Requesting a Review of Marking in relation to a grade awarded

We will provide information about how to request a Review of Marking with your results. If you then wish to go ahead and make an appeal you will need to follow the instructions and make the correct payment to the school. The deadline for requesting a **Review of Marking** is **Friday 18th September**.

Retaking exams

Your Post 16 provider will be able to advise you as to when resit exams will take place and how you can arrange to sit them as we are unable to offer resit exams at Blatch.

In the meantime please enjoy your summer and we look forward to seeing students in August.

Your faithfully

Alexis Crawford
Assistant Headteacher
