	Check
<b>Distinctive Landscapes</b>	
What is a landscape?	
Distribution and characteristics of upland, lowland and glaciated landscapes in the UK	
Geomorphic processes involved in shaping landscapes (Weathering, Erosion, Deposition)	
Formation of Coastal Landforms	
Formation of River Landforms	
The River Tees (Landforms and Management) Case Study	
The South Coast (Landforms and Management) Case Study	
<b>Climate Change</b>	
Patterns of global warming and cooling the quaternary period.	
Range and Reliability of Climate Change evidence.	
Natural Causes of Climate Change (Milankovitch Cycles, Solar Radiation and Volcanic Activity)	
Enhanced Greenhouse Gas Effect	

Impacts of Climate Change (Sea Level Rise, Extreme Weather)	
Impact of Climate Change on the UK.	
<b>Global Hazards</b>	
Global Circulation System – Tri-Cellular Model – the weather it creates and why.	
Extreme Weather in different parts of the world. (Desert – Hot and Dry, Polar Regions (Cold and Dry)	
Distribution and formation of tropical storms	
Distribution of droughts.	
Process of EL Nino and La Nina – How does this create extreme weather.	
UK based weather- hazard – UK Heat wave (Causes, Effects Response)	
Non- UK Weather Hazard – Tropical Typhoon Haiyan (Causes, Effects, Response)	
Structure of the Earth and Convection Currents	
Processes at Different Plate Boundaries.	
Earthquakes (Focus, Epicentre , Depth)	
Different types of Volcano	
Earthquake Case Study.	
How technology can help people to mitigate against tectonic activity in the USA.	
<b>Urban Futures</b>	
Urbanisation rates in different areas of the world.	
Characteristics of World Cities and Megacities.	
The causes and consequences of rapid urbanisation in Rio.	
What is life like in Rio for contrasting groups?	
How are urban challenges being managed in Rio?	
The causes and consequences of urban growth in London.	
What is life like in London for contrasting groups?	
How are urban challenges being managed in London?	
<b>Paper 2 – UK in the 21<sup>st</sup> Century</b>	
Overview of the human and physical characteristics of the UK.	
How is the UK's population changing?	
An understanding of the causes, effects, spatial distribution and responses to an ageing population.	
Ageing Population in Devon	
How has Ethnicity Changed in Boston Lincolnshire?	
Where are the UK's Economic Hubs?	
Why is Oxford and Economic Hub and how is it changing?	
How and why is the UK involved in conflict in Somalia?	
Media exports of the UK (Film, TV and Pinewood Studios)	
Ethnicity and Food in the UK – Balti Triangle.
