

June 2025

Dear new Blatch Families,

We hope that you're getting excited about your child joining us at Blatch - we are!

We know that your child may well be feeling a mix of emotions and possible apprehension in the build up to transferring from primary to secondary school and that, as parents and carers, you may experience similar feelings about the upcoming changes.

Our aim is to support every family in making the transition as smooth as possible and we hope that our Transition day, Induction evening for parents and carers, our summer school and our Induction day for students in September will all support our new Year 7s to have the best possible start to their secondary experience.

Your child's form group is -
