

<b>Revision lists for Foundation Tier Maths</b>			
<b>Paper 1</b>		<b>Paper 2</b>	
<b>Topic</b>	<b>Clip Number</b>	<b>Topic</b>	<b>Clip Number</b>
Multi-step angle problems	490,491	Fraction and percentage word problems	80,98
Fractions (worded problems)	80	Prime numbers, systematic listing	28,670
Pictograms	426	Exterior angles in polygons	564
Congruent triangles	682	Bar charts	425
Median from frequency tables	416	Identify gradient from equation in the form $y=mx+c$	207
Mean from frequency tables	417	Substitute values into a formula	155
Compare numbers in standard form	124	Substituting and solving	189
Read and write positive integers	13	Angles on a straight line	477
Proportion problem solving	339	Angles on a straight line	477
Pressure, volume of a prism	571,735	Angles around a point	812
Linear sequences (nth term)	198	Metric and imperial conversions, direct proportion	339,705
Change the subject of the formula	281	Metric and imperial conversions, direct proportion	341,705
Indices with algebraic expressions	174	Metric and imperial conversions reasoning	705
Estimate complex calculations	131	Solve 1-step equations	178
Multiple of a number	33	Solve 2-step equations (x negative)	182
Read coordinates in the first quadrant	199	Time (worded problems)	711
Read coordinates of a point on the y-axis	199	Harder problems involving ratios, ratios as fractions	330,335
Plot coordinates on a grid	199	Number problems (division and subtraction)	20,23
Interpret stem-and-leaf diagrams	432	Right-angled trigonometry (find a side)	509
Percentage profit	760	Collecting like terms	156
Round decimal numbers	56	Share in a given ratio, direct proportion	333,341
Decrease a quantity by a fraction and a percentage	78,88,91	Vectors (combining and multiplying by scalars)	626
Expand a single bracket	160	Direct proportion and division	23,339
Factorise simple expressions	168	Compare quantities using ratios and simplify	329
Solve 2-step equations (involving multiplication)	179	Describe rotations	654
Compare decimal numbers	46	Round numbers to the nearest 1000	17
Multiplying mixed numbers	69	Displaying sets in Venn diagrams	372
Reflect a shape in a vertical line	639	Venn diagrams for probability	377,383
Convert fractions to decimals	73	Ratio and percentage problem solving	23,98,332
		Convert fractions to percentages	75
