Involvement, Achievement & Care

Hello!

I'm delighted to share with you something very special that some of our current year 7 students have been working on. [Here](#) you will find a video message containing lots of top tips and advice to support your child as they prepare for the start of their Blatch adventure with us, and to hopefully answer some of the questions they may have!

Your child will have also received the link to this video on their BMS email account earlier today so please do encourage them to watch it and hear about life as a year 7 student at Blatch from students who have just experienced it firsthand.

You and your family are also very warmly invited to join us for our virtual Summer Concert - premiering on our [website](#) this evening at 6pm. It is set to be a fantastic event and will certainly give you a real flavour of the musical opportunities within our school community. The concert will remain accessible on our website until the end of term.

All of our transition communications to date can also be found on the 'New Starters 2020' page of our website [here](#) with regular updates and reminders also being shared on our official [@BMS_NewStarter](#) twitter feed. If you are a Twitter user please do give us a follow.

Finally, just a reminder that we will be continuing to send out information about our transition process and new video messages from staff and students over the coming weeks, however if you have any specific questions, please do not hesitate to contact us at BMSAdminHub@blatchingtonmill.org.uk.

Wishing you and your family well at this time.

Miss Edmed
